FOREWORD. On this anniversary it is fitting that I thank all visitors of this garden for their friendly and continued interest. The friendships that have grown green through a first casual visit to my garden perhaps is my greatest satisfaction and profit.

TERMS. Cash on delivery of bulbs. Order while you can see 'em. Early orders get the best bulbs and by placing your next spring order while on the ground with specimen before you, you are protected in case of an insufficient supply. Next springs catalogue lacks words to describe the beauty of todays **GLADIOLUS.**

GROWING INSTRUCTIONS FREE with all orders. Honest count, in fact a little extra is the way orders are packed. My present low prices do not include preposturous priced free bulbs that are worthless. Fair prices, fair treatment and an honest product. I thank you.
